

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF
ENVIRONMENT, GREAT LAKES, AND ENERGY
LANSING

PHILLIP D. ROOS
DIRECTOR

VIA EMAIL

TO: Governor Gretchen Whitmer
Senate Energy and Environment Committee Members
Senate Natural Resources and Agriculture Committee Members
House Natural Resources, Environment, Tourism and Outdoor
Recreation Committee Members

FROM: Phillip D. Roos, Director 

DATE: March 11, 2024

SUBJECT: Report on Ballast Water Management Practices

In accordance with Section 3103a(4) of Part 31, Water Resources Protection, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, attached is the Department of Environment, Great Lakes, and Energy's (EGLE) report on Ballast Water Management Practices for 2023.

Section 3103a established the Michigan Ballast Water Management Practices Program. The program requires the development of a list of vessels complying with existing ballast water management practices. This requirement is independent of the 2005 statute requiring oceangoing vessels to obtain a permit to engage in port operations. The legislation also requires the Department of Environment, Great Lakes, and Energy to annually submit a list of complying vessels to the Governor and standing committees of the Legislature with jurisdiction primarily over issues pertaining to natural resources and the environment. The attached list is also updated as needed and available on the Ballast Water Program's Web page at Michigan.gov/BallastWaterProgram.

If you need further information, please contact Amanda Bosak, Supervisor, Water Quality and Aquatic Nuisance Control Permits Unit, Permits Section, Water Resources Division, at 517-599-9820 or BosakA@Michigan.gov; or you may contact me at 517-614-6873.
