

# 2021 HOME HEATING CREDIT

## Residential Customers

The Michigan Public Service Commission (MPSC) doesn't want you to miss your chance to receive the Home Heating Credit (HHC) from the state of Michigan! The HHC can help pay your winter heating bills and is funded by the federal Low Income Home Energy Assistance Program (LIHEAP). If you use a large portion of your monthly income to pay heating costs, you may be eligible for the HHC for the 2021 tax year.

## WHO is eligible to apply?

Eligible customers must meet all of the following requirements:

- ✓ Your homestead (where you live) is in Michigan.
- ✓ You own or rent a home where you live (e.g. a rented apartment or mobile home on a lot in a mobile home park).
- ✓ Income is within the limits listed in the chart to the right or you qualify based on alternate guidelines including household income, exemptions, and heating costs.

Check the HHC form (MI-1040CR-7) for more information.

## HOW do I apply?

You can apply for the HHC by filling out form MI-1040CR-7 for 2021. You do not have to file a Michigan tax return to apply for the HHC.

If you qualify for the HHC, you may be eligible for the Winter Protection Plan and should contact your local utility for more information.
