Who needs to complete the Camp Administrator Comprehensive Background Clearance?

“Camp Administrator” includes the following persons: Applicant, Person, Licensee, Chief Administrator, Program Director, and Licensee Designee.

Statute reference:

MCL 722.115(c) Applicant for childcare organization license; criminal history check and criminal records check

(1) Except as provided in subsection (6), when a person or partnership, or licensee designee if the applicant is a limited liability corporation, firm, corporation, association, or nongovernmental organization applies for or to renew a license for a childcare organization under section 5, the department shall request the department of **state police to perform a criminal history check** on the person, licensee designee, chief administrator, and program director of a childcare organization.

(2) Each person applying for a license to operate a child care organization shall give written consent at the time of the license application for the department of state police to conduct the criminal history check required under this section. The department shall require the person to submit his or her **fingerprints to the department of state police and the Federal Bureau of Investigation** for the criminal history check described in subsection (1).

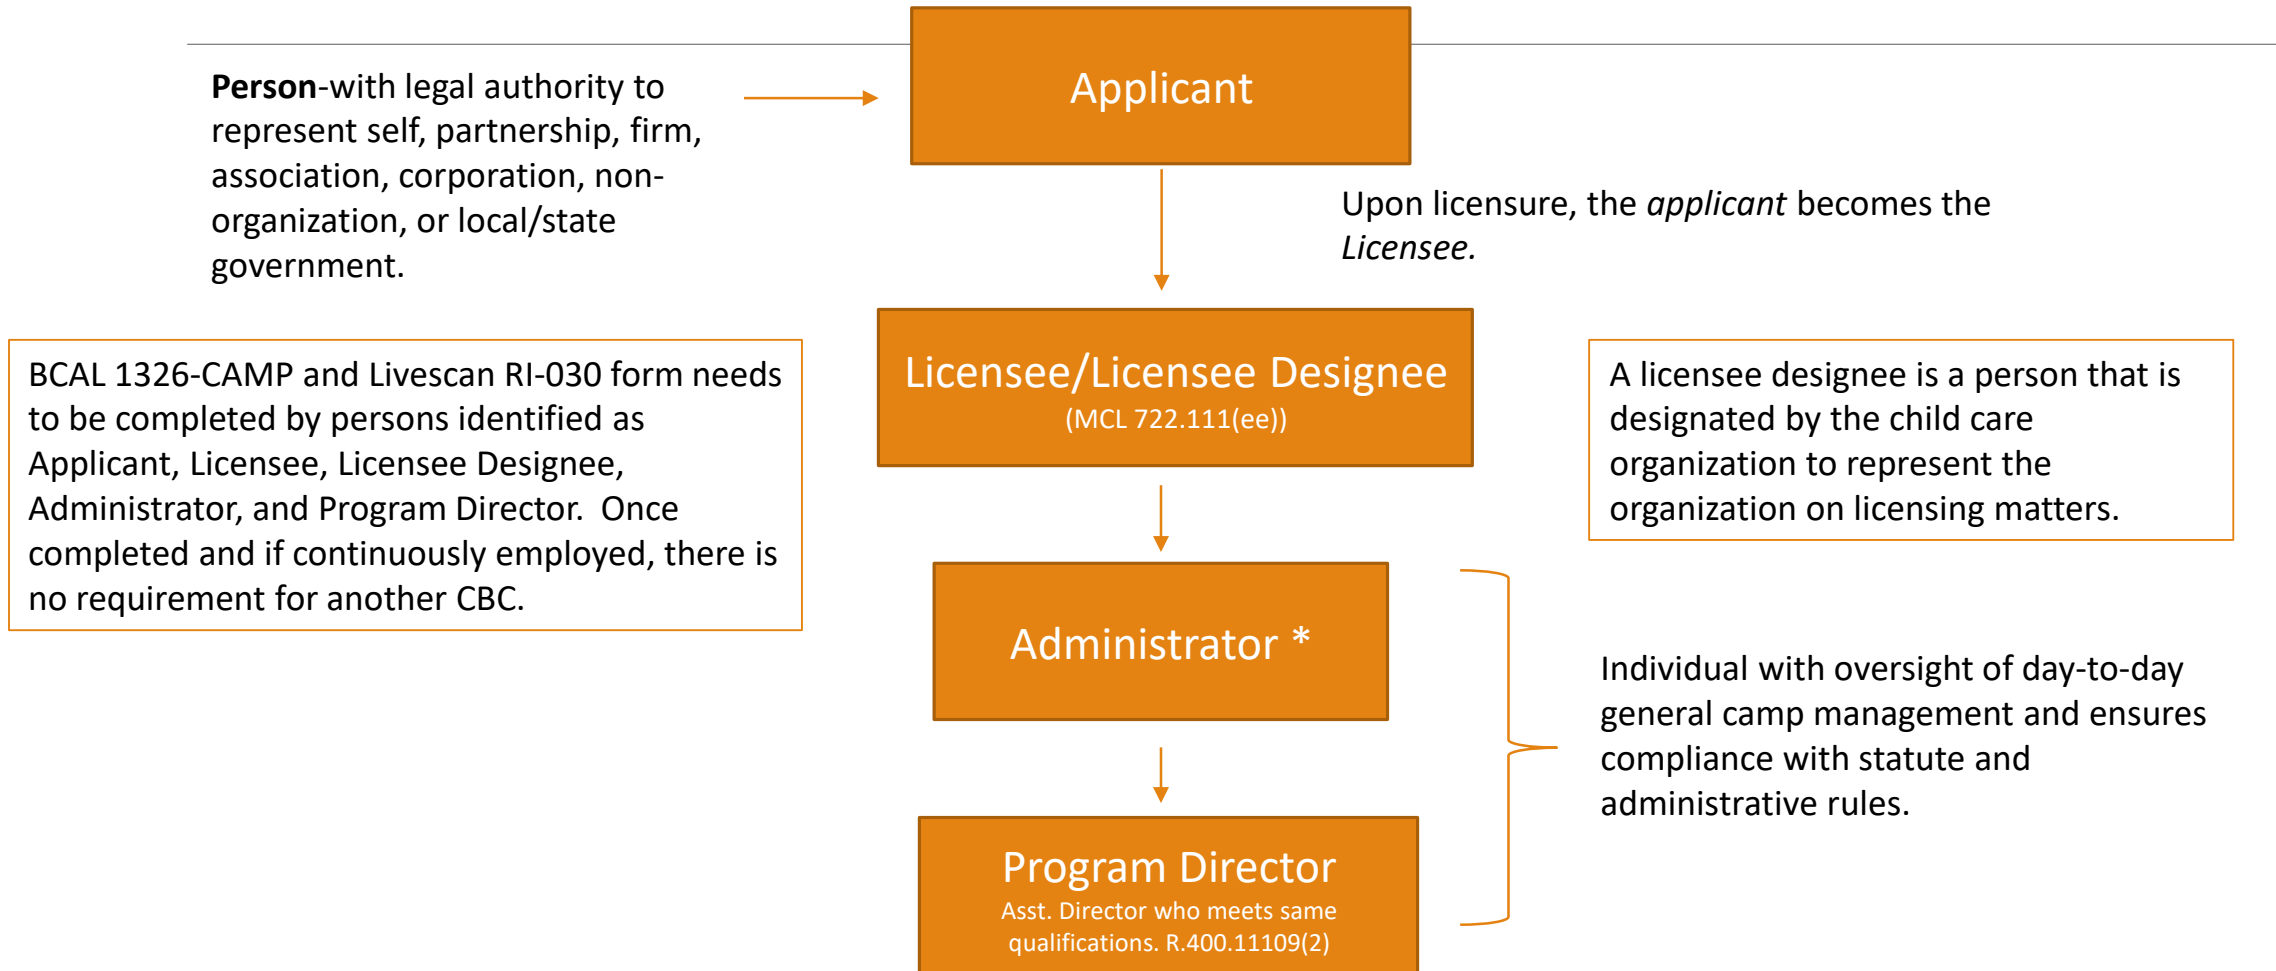

MCL 722.119(5) Staff members or unsupervised volunteers in children’s camps or children’s campsites who are 21 years of age or older may not have contact with a child who is in the care of a children’s camp until the staff member or volunteer provides the children’s camp with **documentation from the department of health and human services that he or she has not been named in a central registry case as the perpetrator of child abuse or child neglect.**

Comprehensive Background Clearance (CBC) for Camp Administrators and Camp Staff Background Checks

The Comprehensive Background Clearance(CBC) process described in this slide deck reviews the specific background clearances for **camp administrators** including: Applicants, Licensees, Designees, Chief Administrators, and Directors/Program Directors. This Comprehensive Background Clearance (CBC) process involves the required livescan fingerprint.

Camp staff background checks are required under MCL 722.115d, MCL 722.119, and R 400.11109(7). These background checks are the responsibility of the camp administrator to complete on all staff (paid or volunteers) and maintain in their records for review during onsite visits. For information about the camp staff background checks **that do not** require a livescan fingerprint, please see the licensing webpage at www.Michigan.gov/laracamps within the licensee tile under the “Background Check Information and Forms” title.

Organizational Chart Outlining Who Needs the Camp Administrator Comprehensive Background Clearance

*May be referred to: Camp Director or Director.

Note: Camps may identify others that they want to obtain this level of clearance.

A note about titles:

For the Comprehensive Background Clearance process, Camp organizations must identify their camp leaders as one or more of the following titles on the Camp Licensing Record Clearance Request (BCAL-1326-CAMP) form. The Comprehensive Background Clearance must be completed by the individuals identified:

1. **Applicant/Licensee/Licensee Designee:** this individual has the legal authority to represent the child care organization. All license applications must be signed by the Applicant/licensee/Licensee Designee. [MCL 722.111(ee)]
2. **Administrator:** This individual has overall day-to-day responsibility for managing the child care organization's operations. This person is also identified on the license applications or interim notifications.
3. **Program Director:** This person assists in the management of the day-to-day operations for program and/or campsite.

Every child care organization must have a licensee/licensee designee and an administrator who is responsible for day-to-day operations. The licensee designee and the administrator could be the same person. Camp organizations must identify an additional individual(s) as program directors who may be needed as substitutes according to R 400.11109(4).

What forms are used for the Comprehensive Background Clearance?

The Camp Administrator Comprehensive Background Clearance requires the completion and submission of the following two forms:

1. Camp Licensing Record Clearance Request (BCAL-1326-CAMP) Form
2. Live Scan Fingerprint Background Check Request (RI-030) Form

**Forms are obtained by contacting the Camp Licensing Unit at 866-685-0006
or your licensing consultant.**

How frequently does the Camp Administrator Comprehensive Background Clearance need to be completed?

The Camp Administrator Comprehensive Background Clearance including the Licensing Record Clearance and Live Scan Fingerprint needs to be completed before an original license is issued or within 30 days of a change of leadership [R 400.11109(3)] at the licensed camp. If the licensee, licensee designee, camp administrator, or program director has continued employment with the child care organization, the Comprehensive Background Clearance does not need to be completed again.

Note: If an individual transfers to another licensed camp owned by a different licensee, a new BCAL-1326-Camp and RI-030 affiliated with the new licensee must be submitted.
