As Director of the Department of Licensing and Regulatory Affairs, I take great pleasure in forwarding to you the 12th Biennial Report for the State Survey and Remonumentation Program. Pursuant to the requirements of State Survey and Remonumentation Act, 1990 PA 345, MCL 54.261 et seq., the enclosed report discusses the Program's development and progress toward its goal of recovering the public land survey corners of this state and its continued effort to maintain their locations both physically and in the public record.
