

Public Act 289 Fire Protection Grant Funding  
Template Instructions

PART I. PROFILE COMPARISON

- Insert actual municipality square miles, population, and population density.
- Insert the percentage of property the state facility occupies.
- Answer yes or no in the remaining boxes.

PART II. PROFILE COMPARISON

- Identify the number of buildings over four stories for the municipality and the state facility and enter the numbers for each.
- Answer yes or no in the remaining boxes.

PART III. REQUIRED REPORTING

- Record your fire incident reporting number, yes or no for NFIRS compliance, and your annual budget.  
If the state facility reports, enter the required information.  
If the state facility does not report, enter no.
- Enter the percentage of your budget impacted by the state facility.  
Fire Incident Reporting Number and NFIRS compliance can be found on the State Fire Marshal's web site: [www.michigan.gov](http://www.michigan.gov)

PART IV. PERSONNEL

- Enter your department type - volunteer, combination, or career.  
Add the actual number of fire fighters and chief/s.
- Enter the type for the state facility if applicable or yes/no.
- Answer yes or no in the remaining boxes.

PART V. CAPABILITIES

- Enter your fire class rating. Your fire class rating can be located on the ISO web site: [www.isogov.com](http://www.isogov.com)
- Enter apparatus types, average response time, first alarm personnel, and yes or no if you meet NFPA 1710. [www.nfpa.org](http://www.nfpa.org)

PART VI. TARGET RISKS

- Enter the number of target risks in the municipality and state facility.  
If no risk, enter no in the applicable box.

PART VII. PUBLIC ACT 289 RISK/HAZARD INVENTORY OF STATE FACILITIES

- Answer yes or no and check the appropriate boxes.
