Required Information for Section 207 of Public Act 121 of 2024	4

Executive Summary:

Section 207 of Public Act 121 of 2024 requires the following:

Sec. 207. Consistent with section 217 of the management and budget act, 1984 PA 431, MCL 18.1217, the department shall prepare a report on out-of-state travel expenses not later than January 1. The report must list all travel outside this state by classified and unclassified employees in the previous fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The department shall submit the report to the standard report recipients and to the senate and house appropriations committees. The report must include all of the following information:

- (a) The dates of each travel occurrence.*
- (b) The total transportation and related expenses of each travel occurrence and the proportions funded with state general fund/general purpose revenues, state restricted revenues, federal revenues, and other revenues.*

Pursuant to these requirements, this report has been prepared and issued electronically to the House and Senate appropriations standing committees to meet the January 1 reporting requirements. In addition, this report is also online at the LARA website here: <https://www.michigan.gov/lara/about/legis-report>.
