REPORT AUTHORITY

Section 20162 (8) of the Public Health Code, 1978 PA 368, MCL 333.20162 (8):

Beginning October 1, 2005, the director of the department shall submit a report by December 1 of each year to the standing committees and appropriations subcommittees of the Senate and House of Representatives concerned with public health issues. The director shall include all of the following information in the report concerning the preceding fiscal year:

(a) The number of initial applications the department received and completed within the 6-month time period required under subsection (1).
(b) The number of applications requiring a request for additional information.
(c) The number of applications denied.
(d) The average processing time for initial licenses granted after the 6-month period.
(e) The number of temporary permits issued under subsection (3).
(f) The number of initial license applications not issued within the 6-month period and the amount of money returned to applicants under subsection (3).

DEPARTMENT OVERVIEW

LARA is composed of agencies and commissions that promote business growth and job creation through streamlined, simple, fair, and efficient regulation, while at the same time protect the health and safety of Michigan's citizens.

The Bureau of Community and Health Systems (BCHS) serves to protect and ensure safe, effective, efficient, and accessible community and health care services delivered by state licensed providers in Michigan. It is responsible for state licensing of facilities, agencies, and programs under all of the following public acts:

- Adult Foster Care Facility Licensing Act, 1979 PA 218
- Mental Health Code, 1974 PA 258
- Public Health Code, 1978 PA 368

The majority of state licensing activities involve the issuance and renewal of licenses to qualified facilities, agencies, and programs; conducting initial, routine and revisit inspections to determine compliance with state and federal requirements; and investigating complaints against state licensed providers.
