

2025-41 LR Construction Codes - Part 10a. Michigan Commercial Energy Code

Part 10a. Michigan Commercial Energy Code rules are now open, and we are seeking your input.

For your convenience, a Proposal Rule/Code Change Request form and the draft strike-bold rules are attached. The current Part 10a. Michigan Commercial Energy Code rule set can be viewed under our Administrative Rules webpage [Currently Open Rules](#). Proposals for this rule set must be submitted to LARA-BCC-Rules@michigan.gov by 5:00 p.m. on Friday, November 7, 2025. Status of the rule set progression will be posted on our website.

To be included in our email distribution list and stay updated on rule set information, please send an email to LARA-BCC-Rules@michigan.gov with the rule set that you want to be informed on in the subject line. You will be notified of upcoming public hearings, proposed code changes, and any other relevant information.
