

Accela Citizen Access

A single gateway to a wide range of services through the Bureau of Construction Codes for all Residential Builders licensing needs.

Key Changes:

- MyLicense will be taken offline at the end of the day on August 15, 2019
- License verification will continue to be available at its current web address until August 26, 2019 when it will move to <https://aca3.accela.com/lara/>
- Re-licensure is easier and faster
 - No application needed
 - Just pay re-licensure fees and receive your license

Beat the renewal rush, save time, set up your account online now!
