Bureau of Construction Codes 2024-2025 Elevator Fee Schedule

In accordance with Michigan Elevator Rule R 408.7019 the Bureau of Construction Codes reviews all elevator fees annually to ensure license and permit fees are sufficient to support the administration of the elevator safety and regulatory program. After this review it was determined that fees will be increased as of June 27, 2024. Please see below for all updated elevator related fees.

This fee schedule will be effective June 27, 2024 through June 26, 2025.

In addition to the fee changes, there will be a process change related to the payment of elevator licensing fees and providing the applicant's full social security number. In the past, applicants have paid the license fee and provided the full social security number after passing the examination administered by PSI. To better align with all other licensing processes in the bureau, payment for licensure will be required at the time of application. This process change will take place on or after June 27, 2024.

The Elevator Unit can be contacted at elevsafety@michigan.gov if there are any questions regarding the updated non-licensing related fee amounts.

The Licensing Unit can be contacted at LARA-BCC-Licensing@michigan.gov for any licensing related fee or process questions.
