Instructions for Application for School Project Plan Examination

This application is designed to be used only for schools defined as kindergarten through 12th grade (this includes all buildings and structures on school property)

Project or Facility Information: Provide all requested information. Mark the appropriate box (city, village or township) and state the name of the governmental subdivision where the project is located; not the post office location.

Applicant Information: Provide all requested information with an original signature. All correspondence will be sent to this address and this entity will be responsible for all fees.

Plan Review Information: Indicate what is being submitted and provide the appropriate project and project numbers. The submission numbers are critical when linking addenda and bulletins with a previous submittal for the same project. Provide the requested adjacent land uses and total site acreage.

Plan Review: Provide all requested information. The building use, construction type and number of occupants shall be as prescribed by the building code. If the project cost is less than \$15,000.00 for a public school facility, check the box. Indicate the desired plan reviews for Construction Codes.

Building Owner: Provide the requested information.

Project Architect/Engineer/Certified Firm/Landscape Architect/Surveyor: Provide the requested information.

Required Submittals for Plan Review

For each facility, submit completed application, the appropriate deposit fee (*the first \$125.00 of a Construction Code & Site Plan Review application is non-refundable*) made payable to the **State of Michigan** and the required number (from front of application) of construction documents with **original seals and signatures** in accordance with 1980 PA 299. Fire sprinkler shopdrawings and computations are not required to be sealed by a design professional. The review fee will be calculated based on the approved fee schedule and the balance due shall be billed to the applicant. See Construction Code Fee Schedule at www.michigan.gov/bcc, Forms, Plan Review Program.

Required Deposit and Construction Documents

Project Type	Fee	Construction Documents
Construction Code Review Only (plus site review if requested)	\$125.00 deposit	2 sets
School Site Plan Review only	\$125.00 deposit	2 sets

Building Code: Site plan, foundation plan, soil bearing capacity, floor plans, accessibility requirements, building elevations, building sections, framing plans, details, approved design numbers for fire resistant assemblies, roof plan, roof finish schedule, door schedule, structural live and dead loads.

Electrical Code: Plans for all electrical systems using more than six (6) circuits, shall include lighting layout, circuiting, switching, conductor and raceway sizes, wattage schedule, service location and riser diagram, load calculations, appropriate plans showing standard symbols of all electrical equipment.

Mechanical Code: Plans indicating heating equipment, air conditioning equipment, ductwork material and layout, fire dampers, ventilation of rooms and areas, location of chimneys and vents, piping layouts.

Plumbing Code: Site plan, floor plans, DWV riser diagrams and water distribution system and roof plan. Show direction of flow, pipe sizes, grade of horizontal piping, elevations, drainage fixture unit loading of both stacks and drains in the DWV system, supply fixture unit load for the water system, branch supplies serving more than one plumbing fixture, appliance or hose outlet.

Energy Code: Floor plans, building sections, details, average annual degree days, exterior envelope component materials, "U" values of elements, "R" values of insulating materials, size and type of apparatus and equipment, energy calculations.

Site: Public school site plan review, the applicant is responsible for any environmental approvals required for the site.
