Instructions for Application For Barrier Free Design Rule Exception

Facility Information: Provide all requested information. Mark the appropriate box (city, village or township) and state the name of the governmental subdivision where the project is located; not the post office location.

Building Data: This section must be completed and signed with a signature by the administrative authority responsible for issuing the building permit for this project. If this application is the result of a violation, previous exception, complaint or plan review by the State of Michigan, provide the appropriate permit or file number. List the reasons why an exception should be granted indicating all relative information pertaining to your request; e.g. structural difficulties, site conditions, reasonable alternative.

Project Architect/Engineer: A complete mailing address for the architect or engineer working on this project shall be entered. The services of an architect or engineer are required when compelling need is based on site, building or structural limitations.

Applicant Information: Provide all requested information as all correspondence will be sent to this address.

Required Submittals for Exception Process

For each separate exception, submit completed application, \$500.00 application fee made payable to the **State of Michigan** and one (1) set of drawings or dimensioned sketches showing the area for the requested exception, the surrounding site, interior layout and any structural features that support the request. Plans and specifications shall have an **original seal and signature** in accordance with 1980 PA 299. For use group changes not involving construction, plans are not required to be sealed and signed.

Upon Receipt of All Applications

A written acknowledgment will be sent to all parties listing the code sections that will be the basis for the detailed testimony at the hearing.

Under separate cover, the State Office of Administrative Hearings and Rules will send a notice regarding the date, time and place of the hearing. The Office of Hearings will conduct a fact-finding hearing in accordance with the Michigan Administrative Procedures Act. From this hearing, a report and recommendation will be forwarded to the Barrier Free Design Board for final action.
