

# APPOINTMENT OF HOME FOR THE AGED RESIDENT AUTHORIZED REPRESENTATIVE

Pursuant to the homes for the aged licensing rules, a resident may appoint an authorized representative. "Authorized representative" means that person or agency which has been granted written legal authority by a resident to act on behalf of the resident or which is the legal guardian of the resident. Rule 325.1901(5).

I, \_\_\_\_\_, appoint

to be my authorized representative while I am a resident in this licensed home for the aged. I acknowledge that this appointment remains in effect until it is revoked by me in writing.

I agree that the scope of my authorized representative's authority is limited to the roles and responsibilities established in the homes for the aged licensing rules.

The appointment of an authorized representative does not take away my right to make my own decisions or limit my rights.

I further state that I do not authorize my authorized representative to take any action relating to the following:
