This attestation Statement has been completed and signed by both our hospital Administrator or Chief Executive Officer (including hospitals with excluded units) and the Director of Rehabilitation (physician). Please read the following carefully.

Based upon our personal knowledge and belief, we attest that the responses on the attached Rehabilitation Criteria work sheet (From CMS 437A or CMS 437B) are true and correct, and that this hospital/unit has met, meets and will continue to meet all the applicable requirements for exclusion from the IPPS for the period beginning (the first day of the hospital's fiscal year or cost reporting period), as set out in Subpart B of 42 CFR Part 412. We understand that the Centers for Medicare and Medicaid Services (CMS) or its representative has the right to conduct an on-site survey at any time to validate whether the statements made on the attached work sheet are accurate.

We agree that if our inpatient rehabilitation facility (IRF) fails to meet any of these requirements *in the next three cost report years*, we will notify our Regional Office and Medicare Administrative Contractor/Fiscal Intermediary (MAC/FI) of the change immediately in order to permit a valid determination of the IPPS excluded status prior to the beginning of the *next cost reporting period*.
