

## CONSTRUCTION INFORMATION ON WESTBOUND I-196

Starting on April 1<sup>st</sup> the Michigan Department of Transportation will start a construction project to reconstruct and widen **Westbound I-196 over the Grand River**. **A complete closure of Westbound I-196 from Ottawa Ave to Lane Ave will be in place from April-August**. Ramp closures at the US-131/I-196 interchange in Downtown Grand Rapids will also take place beginning April 1<sup>st</sup>. Please note that Westbound I-196 will be open to Ottawa Ave/Ionia Ave to maintain access to downtown, however Westbound I-196 will be closed prior to US-131 so US-131 traffic will be detoured to I-96 and US-131 as show in the map below.
