Michigan BEI Testing

Scheduling the BEI TEP OR PERFORMANCE: All test applications and payments must be mailed to the address listed on the application form. The State Cashier's Office is responsible for initial processing and deposit of payments. Test applications are returned to the Bureau for final processing. This may take up to 30 days, dependent on current volume. Please submit separate applications for the TEP and Performance exams.

If an application does not include all required information, documentation and/or payment(s), it will **NOT** be processed until it is complete. Once applications have been processed, we will email applicants notification to schedule a test date. Allow at least 30 business days for processing. **Please note that applicants may not switch test dates after receiving confirmation of their scheduled test date.** Note: If you have taken this exam in Michigan or another state within the last 6 months, you cannot be scheduled for an exam until it has been 6 months between attempts.
