Postponed/Suspended Courses Due to the COVID-19 Training Moratorium

DATE: July 7, 2020

TO: County Training Committee Chairpersons; Course Managers

CC: Michigan Fire Fighters Training Council

FROM: Kevin J. Sehlmeyer, State Fire Marshal/Director

The purpose of this announcement is to provide direction to the county training committee chairpersons and course managers of courses that were previously postponed or suspended due to the training moratorium implemented as the result of the Coronavirus (COVID-19) pandemic.

With less than three months left of the fiscal year, it is important to either cancel or reschedule the same postponed or suspended course as soon as possible. As a reminder, September 30, 2020 is the deadline to complete all FY20 courses funded with fireworks safety fee funds. If you have any course that cannot be completed and the invoice submitted by September 30, 2020, the course must be cancelled. That funding will be returned to the Michigan Fire Fighters Training Council's (MFFTC) account and applied to the grant wait list approved by council at the February 11, 2020 regular meeting.

I ask that these courses be cancelled or rescheduled **no later than 5:00 pm on July 31, 2020.** Thank you in advance for your cooperation. If you have any questions, please contact:
