Celebration of Life for
Detroit Fire Department
Sgt. Sivad H. Johnson
Monday, August 31, 2020
12:00 noon

Due to Covid-19 and the government mandated restrictions, we are asking you to participate in a virtual Celebration of Life.

The service will be live streamed through local media outlet websites.

Fire Companies throughout Michigan, across the Nation and our Neighbors in Canada, are asked to place rigs on the ramps at 12:00 noon with lights on in tribute.

We invite everyone to view the service and participate by sharing salutes and tributes on social media at the hashtag #SivadStrong.

Those who wish to show support, may do so at the official site www.GoFundMe.com/f/sgt-sivad-johnson-fund
