Re: NFIRS Reporting for 2019

Dear Michigan Fire Service,

On Tuesday, January 21, 2020, at 3:00 p.m., the Bureau of Fire Services ran a report from the National Fire Incident Reporting System (NFIRS) to validate fire reporting for every fire department in Michigan in calendar year 2019. The attached spreadsheet lists every fire department by county and is in alphabetical order.

Per Public Act 291 of 1966, the Fire Fighters Training Council Act, every fire department must report monthly and maintain 12-consecutive months of fire reports moving forward to be eligible to attend any training funded by fireworks safety fees. Specifically:

> ***29.374 Training expenditures; disbursement to county training committees; distribution. Sec. 14. (4) Money must be distributed under this section only to support training for personnel from an organized fire department or public safety department that has adhered to the standards established under this act for personnel recruited or trained by the organized fire department or public safety department during the current and prior fiscal years and that has complied with the incident reporting requirements under section 4 of the fire prevention code, 1941 PA 207, MCL 29.4, during the 12 months preceding an application made under this act.***

If the name of your fire department is shaded in **green** on the spreadsheet you have reported for the past 12-consecutive months and we thank you for your monthly reporting. However, if the name of your fire department is shaded in **red** you are missing at least one or multiple months of fire reports in 2019. The months with a zero (0) on the spreadsheet are missing and need to be imported into the NFIRS prior to February 3, 2020.

NOTE: If you had zero (0) calls in any month, you must file a ***"No Activity"*** report for that month in NFIRS.

[redacted]													
Count	0	0	0	1	0	1	3	0	0	0	0	0	5
Exposures	0	0	0	0	0	0	0	0	0	0	0	0	0
No Activity	1	1	1	0	1	0	0	1	1	1	1	0	8
Aid Given	0	0	0	0	0	0	0	0	0	0	0	0	0

Any fire department that does not have 12-consecutive months of fire reports for calendar year 2019 in NFIRS by 8:00 a.m. on February 3, 2020, will not be eligible to receive FY20 grant funding from the Michigan Fire Fighters Training Council. This lack of reporting will disqualify grant applications submitted for the FY20 Michigan Fire Fighters Training Council grant program.

Thank you for your cooperation and meeting the requirements set forth in Public Act 291. If you have any questions regarding your fire reports for calendar year 2019, please contact Rhonda Howard directly by telephone at 517-241-2807 or by email at howardr2@michigan.gov.

Thank you,

Kevin J. Sehlmeyer
State Fire Marshal
Director, Bureau of Fire Services
