

Consumer Certificate and Low Impact Registration Public Search

Use this tutorial to locate a Consumer and or Low Impact facility.
(It is recommended that you use Google Chrome or Microsoft Edge as your internet browser for Accela.)

Note that you must already have an Accela account to use this tutorial.
If you do not have an Accela account and do not wish to create one, you may email your request to:
fireworks@michigan.gov

Once you are logged in, this will be what the Home screen looks like.

Click on:
Fire Services

The screenshot shows the LARA website interface for a logged-in user. At the top, the header includes the Michigan state logo and the text "Licensing and Regulatory Affairs". Below this is a navigation bar with links for Home, Search, New, Express Payment, Link Existing License, and Help. A large banner area displays "Construction Codes and Fire Services". Below the banner, there are utility links for Announcements, Logged in as, Collections (0), Cart (0), Account Management, and Logout. A search bar is present with the placeholder text "First Last or License #". A main navigation menu includes Home, BCC Licenses, BCC Permits, Plan Review, Fire Services (circled in blue with an arrow pointing to it), OLSR, Device Permits, and Express Pay. Below this is a secondary menu with Dashboard, My Records, My Account, and Advanced Search. The user is greeted with "Hello, [redacted]". Two main content boxes are visible: "Saved in Cart (0)" with a "View Cart" button and the message "There are no items in your shopping cart right now.", and "My Collection (0)" with a "View Collections" button and the message "You do not have any collections right now."

After clicking on the Fire Services tab,

Click the **Reports (2)** dropdown and select the report that you would like:

Consumer Firework Facility List

Low Impact Firework Facility List

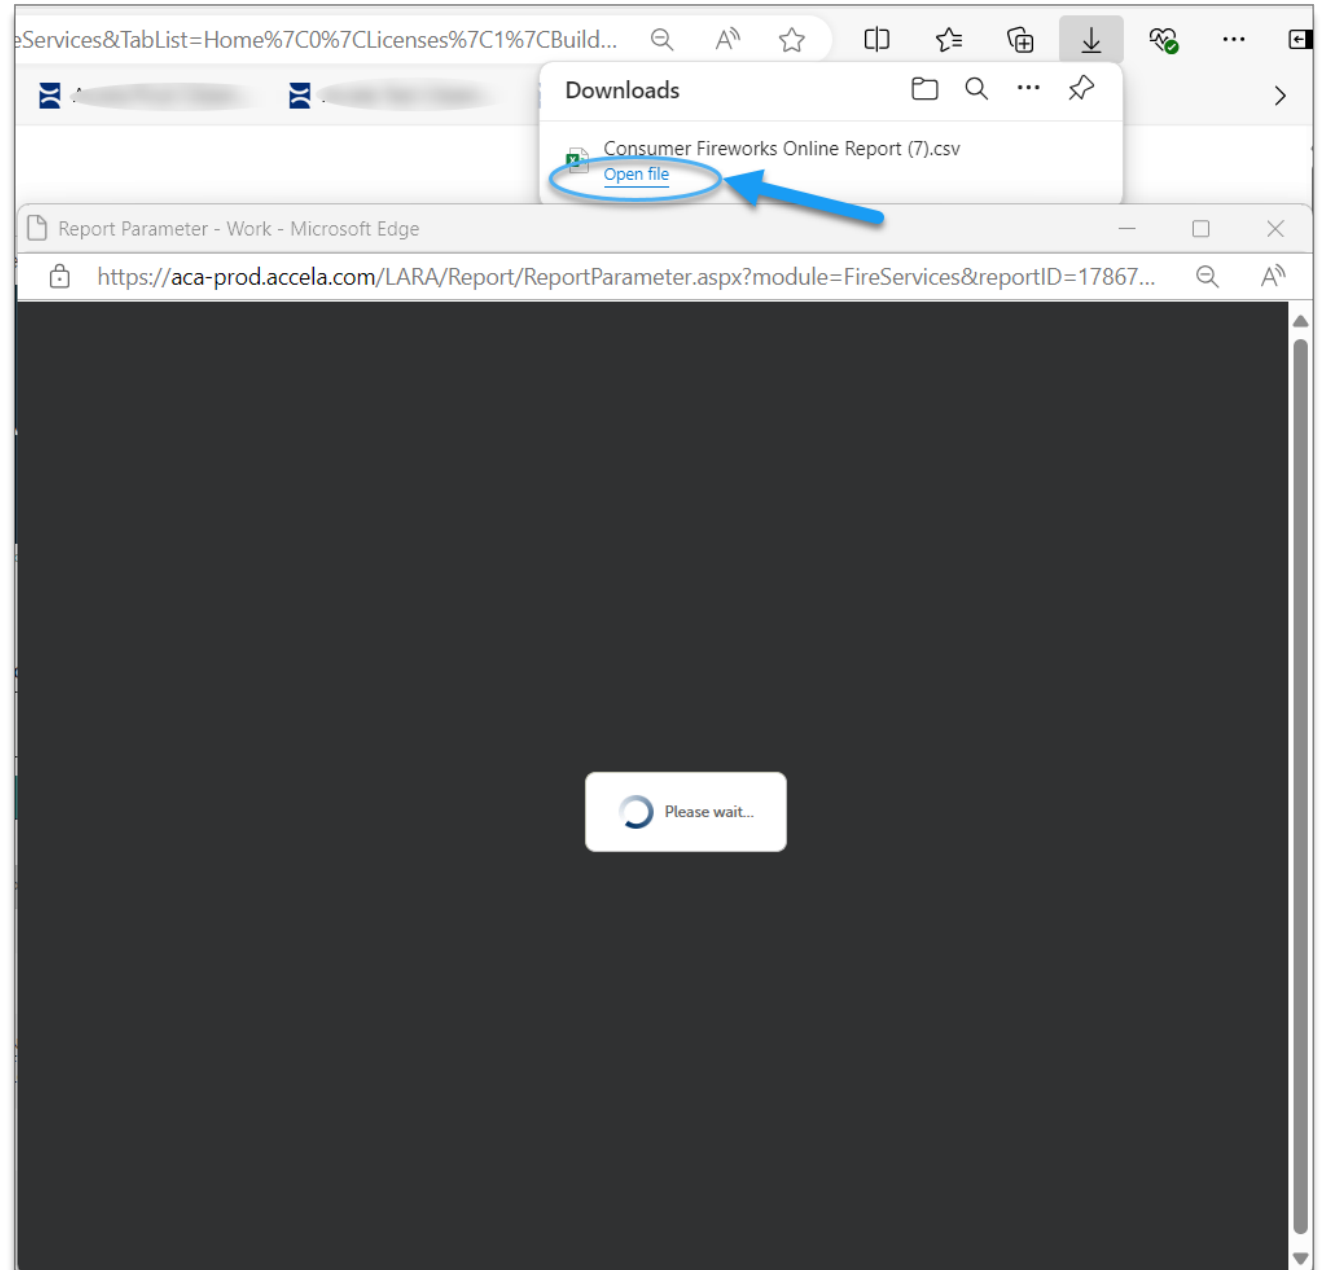

The screenshot shows the LARA website interface. At the top, there is a navigation bar with links for Home, Search, New, Express Payment, Link Existing License, and Help. Below this is a large banner for "Construction Codes and Fire Services". A secondary navigation bar includes Announcements, Logged in as, Collections (0), Cart (0), Reports (2), Account Management, and Logout. The Reports (2) dropdown menu is open, showing two options: "Consumer Firework Facility List" and "Low Impact Firework Facility List". Below the dropdown is a search bar with the placeholder text "Last or License #". The main navigation bar includes Home, BCC Licenses, BCC Permits, Plan Review, Fire Services (highlighted), OLSR, Device Permits, and Express Pay. Below this is a section for "Create/Amend an Application/Record" and "Search Applications". The "Records" section is visible, showing a table with columns for Action, Facility/Cert./Record Number, Date, Record Type, Description, Facility/Location Name, Address, Expiration Date, Status, and Related Records. The table shows "Showing 1-10 of 39" records.

Once a selection is clicked, the report will download.

Click: **Open File**

This report provides a list of all *currently active* facilities in the BFS database (Accela).

The most comprehensive list for the fireworks season will be generated in late June and early July, prior to companies filing cancellation requests.

This list will provide the following information that is available to the public:

- Certificate Type
 - Certificate ID
- First Name of the Certificate Holder
- Last Name of the Certificate Holder
 - Business Name
 - Retail Sales Address
- County of Retail Sales Address
