# 2027 South Kent NFPA 1041 Instructor 1 Course

## January 11, 12, 13, 14, 15
## 0800 - 1700 each day

## Kentwood Fire Sta. 1
## 4775 Walma Ave.
## Kentwood, MI 49508

This course follows the NFPA 1041 standard for professional qualifications for fire service instructors. The course will run 0800 - 1700 for five days. **Attendance is mandatory for each session.** Due to the short time frame of the course, too much information would be missed in an absence and there will not be time for a makeup.

***Course fee of $60. Please make checks out to the Kentwood Fire Department – Attention Training Captain Eric Degroot. Checks can be mailed to Kentwood Fire Station 1, 4775 Walma Avenue, Kentwood, MI 49508. Payment will be due December 18, 2026.**

- Must be Firefighter 1 and 2 certified
- Must be or have been a member of a Michigan fire department within the past 5 years
- Must have 3 years of active experience as a firefighter
- **Students must read chapters 1- 8 in the Jones and Bartlett Fire and Emergency Services Instructor Principles and Practice book prior to the beginning of the course**

**Students must score at least 70% on the final exam to pass the course.**

****Students will be required to purchase the Jones and Bartlett Fire and Emergency Services Instructor Principles and Practice textbook. ****

**Registration can be done in SMOKE. Please contact one of the instructors listed below for approval prior to registering.**

**Contact Instructor, Captain Jeffrey Hughes - HughesJ@Kentwood.us or call 616-554-0800 for questions or more information.**
