

Recon RIT

Presented by: Cheboygan County Firefighters Association

Identify when to call a May Day, self-rescue techniques, RIC positions and command actions. This 3-day course will teach firefighters techniques for rapid removal of downed firefighters and how to protect in place while supplying air in an IDLH environment. The instruction from Oakland Community College will teach search techniques, tool utilization and run various scenarios to apply these skills.

Saturday July 16th 0800-1700

Sunday July 17th 0800-1700

Saturday July 23rd 0800-1700
