

U.S. Fire Administration
Working for a fire-safe America

Student Recruitment

NFA Open Application Period Ends

June 15

NFA Training News | June 1, 2022

The open application period for resident courses delivered by the U.S. Fire Administration's National Fire Academy will close on June 15, 2022 for courses scheduled October 1, 2022 - March 31, 2023. [Explore on-campus courses.](#)

How to Apply

- Students must apply using the electronic application form available on the [NETC Online Admissions Application website](#)

- Block 3: Student Identification (SID) Number: If you do not already have a FEMA SID, please follow the directions at <https://cdp.dhs.gov/femasid>
- All applications require electronic approval from the head of your sponsoring organization.
- Applicants should not make plans to participate in a course until you have been notified in writing by the Admissions Office. (Please add NETC-AdmissNotifications@fema.dhs.gov to your "safe senders" list to ensure you receive notifications pertaining to your application.)
- For help completing your application, contact our Admissions Office, Monday – Friday between 7 a.m. – 4:30 p.m. ET, at 800-238-3358, ext. 1035 or by email at netcadmissions@fema.dhs.gov

This is a great deal in so many ways!

- We pay for your travel, instructor, and student material costs and provide lodging; you pay for your meals.
- You meet and network with peers from all over the United States.
- You meet and learn from top notch instructors.

Please share this with your organizations, friends, and colleagues.

Share this video to learn how to prevent exposure to per- and polyfluoroalkyl substances (PFAS). These

substances are linked to cancer and may be present in firefighting foam.
