Youth Firesetting Program Manager is a 2-day course based on the requirements of NFPA Standard 1035 pertaining to the Youth Firesetting Program Manager.

It empowers students with knowledge on how to develop, enhance or rejuvenate a youth firesetting prevention and intervention program. This course is designed for the person who is responsible or will be responsible for leading a youth firesetting prevention and intervention program. Students evaluate the existing state of their current YFS program, develop a vision for moving forward, construct an action plan, and deliver a persuasive speech to decision makers for advancing the program.
