1. When did Acupuncture Licensure begin in the State of Michigan?

2. What Acupuncturist license types are currently available?

3. How long are Acupuncturist licenses valid? Can I renew my licensure early? How will I know when I need to renew?

Your initial Acupuncturist license is valid for 2 years. All subsequent renewals will also be valid for 2 years.

Renewal begins 90 days prior to the expiration date of your current license.

Renewal notifications are mailed and emailed to the mailing and email addresses on record 90 days prior to the expiration date of the license. Remember to notify the Department in writing of any address change. It is a licensee's responsibility to renew his or her license on time. Failure to receive the renewal notification, or to notify the Department of an address change, does not exempt a licensee from renewing their license on time.

You can renew online by logging into your MiPLUS account at www.michigan.gov/miplus. You may pay your renewal fee by using a debit or credit card containing a Discover, MasterCard, Visa, or American Express logo.

4. When do I have to meet the requirements for the completion of training in Identifying Victims of Human Trafficking?

Beginning with the 2018 renewal cycle, and all renewal cycles thereafter, licensees must have completed training in identifying victims of human trafficking that meet the standards established in Administrative Rule 338.13002 in order to renew their license.

Beginning on April 22, 2021 individuals seeking initial licensure must have completed human trafficking training prior to obtaining a license as an Acupuncturist.

Licensees, or individuals seeking licensure, must complete the training in identifying victims of human trafficking only one time. The Department may select an audit sample and request documentation of proof of completion of the training.
