SUPERVISING LPC QUALIFICATIONS

Authority: 1978 PA 368

This form must be completed by the Limited Licensed Counselor applicant or, if already licensed, the Limited Licensed Counselor who is changing supervisors.

Applicant's Name (First, Middle, Last)		Date of Birth
Email Address	Limited Licensed Counselor License # / Application #	
Name of Supervising Licensed Professional Counselor	Supervising LPC's Michigan License #	

Before providing counseling supervision, a licensed professional counselor (LPC) must satisfy 1 of the below requirements. Check the box next to the category that applies to your supervising LPC:

The supervising LPC started acting as a counseling supervisor for the first time on or before January 1, 2013, has completed training in the function of counseling supervision, and acquired not less than 3 years of post-master's practice in counseling.

The supervising LPC started acting as a counseling supervisor for the first time after January 1, 2013, and before May 5, 2022, has completed training in the function of counseling supervision that satisfies the requirements of R 338.1781(2) of the Counseling Administrative Rules, and acquired not less than 3 years of post-master's practice in counseling.

The supervising LPC started acting as a counseling supervisor for the first time on or after May 5, 2022, completed training in the function of counseling supervision that satisfies the requirements of R 338.1781(2) of the Counseling Administrative Rules, and acquired not less than 5 years of post-master's practice in counseling.

The supervising LPC currently holds the Approved Clinical Supervisor (ACS) credential from the CCE.

Submission Instructions:

Email the completed form to BPLData@michigan.gov or upload the document to your pending Limited Licensed Counselor Application in MiPLUS.
