Rule 22. (1) Pursuant to section 2004(2)(a) of the act, MCL 339.2004(2)(a), an applicant for professional engineer licensure shall document at least 8 years of professional experience in engineering work, including not more than 5 years of education granted under subrule (4) of this rule. An applicant shall satisfy the requirements of this rule to receive credit for professional experience.

(2) An applicant for licensure shall submit either of the following to the department to receive credit for professional experience in engineering work:

(a) Proof acceptable to the department verifying that he or she has obtained not less than 4 years of experience practicing as a licensed or registered professional engineer in another state or province of Canada.

(b) All of the following:

(i) The dates of performing engineering work that qualifies as professional experience under subrule (3) of this rule.

(ii) The supervising individual's name and license or registration number and the state or province of Canada in which the supervising individual is licensed or registered as a professional engineer.

(iii) Documentation from the supervising individual attesting to the work experience, dates of work, and supervision.

(3) Engineering work that satisfies all of the following requirements qualifies as professional experience:

(a) The work involves the use of engineering principles and data.

(b) The work is in the form of consultation, investigation, evaluation, planning, design, or review of materials or completed phases of work in the construction, alteration, or repair in connection with a public or private utility, structure, building, machine, equipment, process, work, or project.

(c) The work is performed while under the direction of a professional engineer licensed in Michigan or licensed or registered in another state or province of Canada.

(4) The department shall grant not more than 5 years of professional experience credit to an applicant holding a degree that satisfies the requirements under R 339.16021. Credit shall be limited to the following amounts:

(a) Not more than 4 years of professional experience for a baccalaureate degree in engineering. Experience shall be granted for only 1 baccalaureate degree.

(b) Not more than 1 year of professional experience for a post-baccalaureate degree in engineering. Experience shall be granted for only 1 post-baccalaureate degree.
