from an ABET-EAC or CEAB-accredited program. ETAC-accredited programs are not acceptable. Applicants without an accredited degree may obtain an evaluation by a NACES evaluation provided or NCEES. Contact NCEES at 1-800-250-3196 or www.ncees.org or visit www.naces.org for a list of NACES members. You cannot upload copies of evaluations. Evaluations must be received by our office from the evaluation service.

- **Experience Requirement** – Upload copies of completed experience forms documenting professional experience under the current administrative rules. Four years of experience is granted for an acceptable bachelor's degree. One additional year of experience is granted for an acceptable master's degree. One additional year of experience is granted for an acceptable doctoral degree. You must document 8 years of experience in total. The form and requirements of the current administrative rules can be found below under **HELPFUL RESOURCES AND FORMS**.
- **Examination Requirement** – You must pass the Fundamentals of Engineer (FE) and the Principles and Practices of Engineering (PE) (the Structural Exam (SE) is accepted in lieu of the PE exam) exams administered by NCEES. You do not need to obtain department-approval before scheduling any of the exams. For NCEES exam information and scheduling, contact NCEES at 1-800-250-3196 or www.ncees.org. To notify the department of your NCEES exam results, please upload the month and year you passed the NCEES exams during *Step 3: Supporting Documentation* of the online application. We will then obtain your exam results from NCEES.

NOTE: If you qualify for a waiver of your FE and/or PE exam under the current administrative rules, please arrange to have verification of licensure sent directly to the department from the licensing authority of all states in which you hold or ever held a license.
