

MICHIGAN GENETIC COUNSELOR LICENSING GUIDE

OVERVIEW:

The genetic counselor license type allows a licensee to engage in the unrestricted practice of genetic counseling.

The temporary genetic counselor license type allows a licensee to engage in the practice of genetic counseling while being required to work under the supervision of a qualified supervisor at all times. A temporary licensed genetic counselor license may be renewed 4 times and will automatically expire upon the issuance of a full genetic counselor license or upon loss of active candidate status with the ABGC or the ABMGG.

NOTE: The content contained below is a general overview of licensing requirements. Links to access the Public Health Code and Administrative Rules for this profession can be found at the end of this guide.
