

MICHIGAN OPTOMETRIST LICENSING GUIDE

LICENSURE REQUIREMENTS CHECKLIST

(Listed below are the minimum requirements needed to obtain an optometrist license.)

APPLICATION AND FEES

- Online Application For an Optometrist License - Complete all fields, answer all questions and upload any supporting documentation.
- Online application can be completed by visiting www.michigan.gov/miplus
- Application Fee (Application fee + 2-year license fee) (Must be paid by Visa, Master Card, Discover credit or debit card.):
 - Optometrist By Examination or Endorsement– \$232.50
 - Optometrist Relicensure – \$252.50
 - Controlled Substance – \$173.00
 - DPA Certification – \$81.05
 - TPA Certification – \$81.05
 - DPA/TPA Certification – \$140.50 (If applying for both certifications at the same time.)

THE FOLLOWING REQUIREMENTS APPLY TO ALL APPLICANTS

- A controlled substance license is required for every person who manufactures, distributes, prescribes, or dispenses any controlled substance in Michigan. A separate controlled substance license is required for each business location from which you manufacture, distribute, or dispense controlled substances. If you only prescribe controlled substances at more than one location, you only need one controlled substance license. **An optometrist must hold a DPA/TPA certification in order to be eligible for a controlled substance license. An optometrist may not prescribe a Schedule 2 controlled substance or an oral cortical steroid.**
 - You may apply for a controlled substance license by completing the controlled substance license fields in the application. If you do not apply for a controlled substance license on your optometrist application, you must wait for the optometrist license to be issued before you may apply for a controlled substance license.
 - Beginning September 1, 2019, individuals seeking a controlled substance license or who is licensed to prescribe or dispense controlled substances must have completed a 1-time training in opioids and controlled substances awareness that meets the standards established in Administrative Rule 338.3135 prior to being issued a license.

MICHIGAN OPTOMETRIST LICENSING GUIDE

- ❑ Criminal Background Check – Once the online application is completed and submitted you will be emailed an Application Confirmation letter containing instructions to complete the Criminal Background Check (except those applicants seeking relicensure, if the license expired within the last three years).
- ❑ Good Moral Character Questions – Documentation will be required if you answer “yes” to either question to show at the current time you have the ability to, and are likely to, serve the public in a fair, honest and open manner, that you are rehabilitated, or that the substance of the former offense is not reasonably related to the occupation or profession for which you are seeking a license.
- ❑ Human Trafficking – Beginning December 21, 2021, individuals seeking licensure must have completed training in identifying victims of human trafficking that meets the standards in Administrative Rule 338.303 prior to being issued a license. The training must only be completed one time.
- ❑ Social Security Number – An individual applying for licensure is required to provide his or her social security number at the time of application. If exempt under law from obtaining a SSN or do not have a SSN, the SSN affidavit form will be required to be uploaded at the time the application is submitted.
- ❑ Verification of Licensure – Verification of licensure must be sent directly to our office by the licensing agency of any state or province of Canada in which you hold or ever held a license as an optometrist. Verification includes, but is not limited to, showing proof that the applicant’s license is in good standing and, if applicable, the record of any disciplinary action taken or pending against the applicant. Verification can be emailed to bpldata@michigan.gov or mailed to the Bureau of Professional Licensing at PO Box 30670, Lansing, MI 48909.
- ❑ English Language Proficiency – An individual applying for licensure must demonstrate a working knowledge of the English language. This can be established if either the applicant’s required health professional educational program was taught in English, a transcript establishes the applicant earned not less than 60 college level credits from an English-speaking graduate or undergraduate school, or that the applicant obtained a passing score on an approved English proficiency exam as established by the department under [R 338.7002b\(2\)](#) of the Public Health Code – General Rules.
- ❑ Implicit Bias Training – Beginning June 1, 2022, individuals seeking licensure must have completed at least 2 hours of implicit bias training within the five years immediately preceding issuance of the license.
