THE FOLLOWING REQUIREMENTS APPLY TO ALL APPLICANTS FOR AN OSTEOPATHIC PHYSICIAN LICENSE

- If you will be prescribing, dispensing, manufacturing, or distributing controlled substances, you must apply for both an osteopathic physician license and controlled substance license. You may apply for a controlled substance license by completing the controlled substance license fields in the application. If you do not apply for a controlled substance license on your osteopathic physician application, you must wait for the osteopathic physician license to be issued before you may apply for a controlled substance license.
- Effective September 1, 2019, an individual seeking a controlled substance license or who is licensed to prescribe or dispense controlled substances must have completed a 1-time training in opioids and controlled substances awareness that meets the standards established in the Board of Pharmacy Controlled Substances Administrative Rules, R 338.3135 prior to being issued a license.
- Criminal Background Check – Once the online application is completed and submitted you will be emailed an Application Confirmation letter containing instructions to complete the Criminal Background Check (except those applicants seeking relicensure, for a license that expired within the last three years).
- Good Moral Character Questions – Documentation and explanation will be required if you answer “yes” to either question to show at the current time you have the ability to, and are likely to, serve the public in a fair, honest and open manner, that you are rehabilitated, or that the substance of the former offense is not reasonably related to the occupation or profession for which you are seeking a license.
