The Administrator Experience

For Regulating Bodies

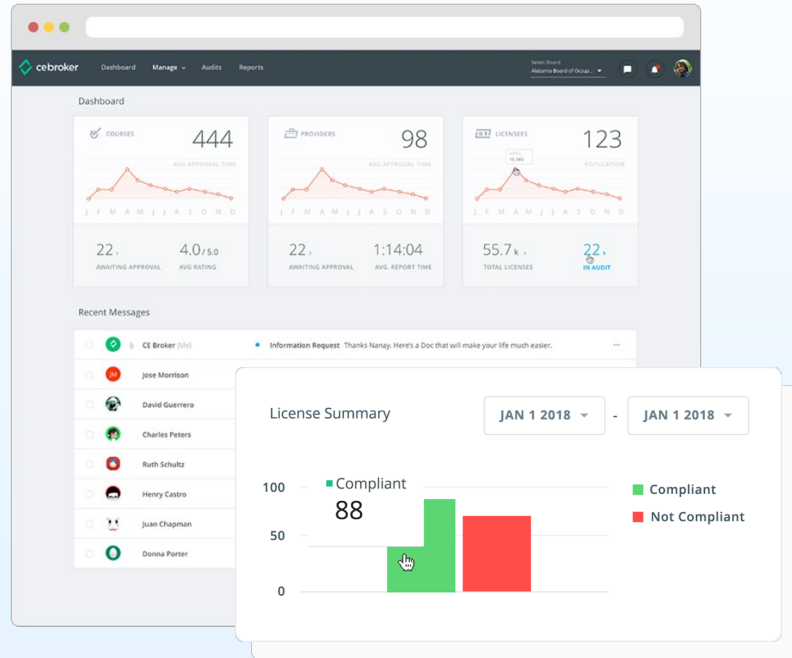

"CE Broker has allowed us to see our licensees' CE progress at any point in time without performing a time-consuming audit."

- TN Department of Health

The Board Suite

Michigan Licensing Bureau Staff users will have a secure account where they can perform CE audits, individual approvals, and access various CE management tools.

Tools available to Licensing Bureau Staff:

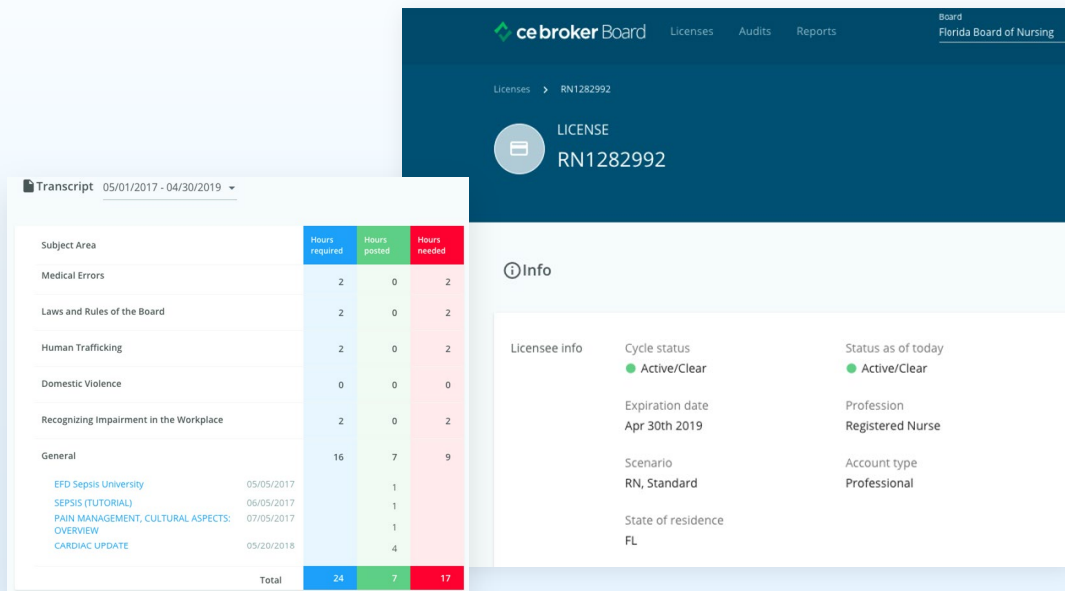

- Paperless communication between profession board staff and CE providers
- Approval queues with reminder messages to designated staff members
- Review flow where individual applications can be routed to other users
- Paperless history of provider requests, responses, approvals, course offerings, and CE data

Automate Your Audits

All data is electronically collected from educational providers and licensees, so audits are transformed from paperwork-ridden investigations into quick, accurate verifications. Whether the state audits licensees at the time of renewal, or as a random post-renewal audit, CE Broker enables licensing boards to efficiently audit up to 100% of the licensed population.

Access Licensee Status Information Anytime

View all licensee transcripts and uploaded documents and generate compliance reports so you always know where your licensee population stands at a glance.

The screenshot displays the CE Broker Board interface for the Florida Board of Nursing. The top navigation bar includes links for Licenses, Audits, and Reports. The main content area shows a transcript for licensee RN1282992, covering the period from 05/01/2017 to 04/30/2019. The transcript table lists various subject areas and the hours required, posted, and needed. A summary row at the bottom shows a total of 24 hours required, 7 hours posted, and 17 hours needed. To the right of the transcript, the licensee's status is shown as Active/Clear, with an expiration date of April 30th, 2019. The licensee's profession is listed as Registered Nurse, and their account type is Professional. The state of residence is also listed as FL.

Implementation

Approximately 120 Days

CE Broker is conducting research for all Michigan boards ahead of meeting with Subject Matter Experts in March and April 2022. The Start Date kicks off all software configuration, development, and testing. Including training and the communication rollout in coordination with the board, implementation requires approximately 90-120 days.

The Licensee Experience

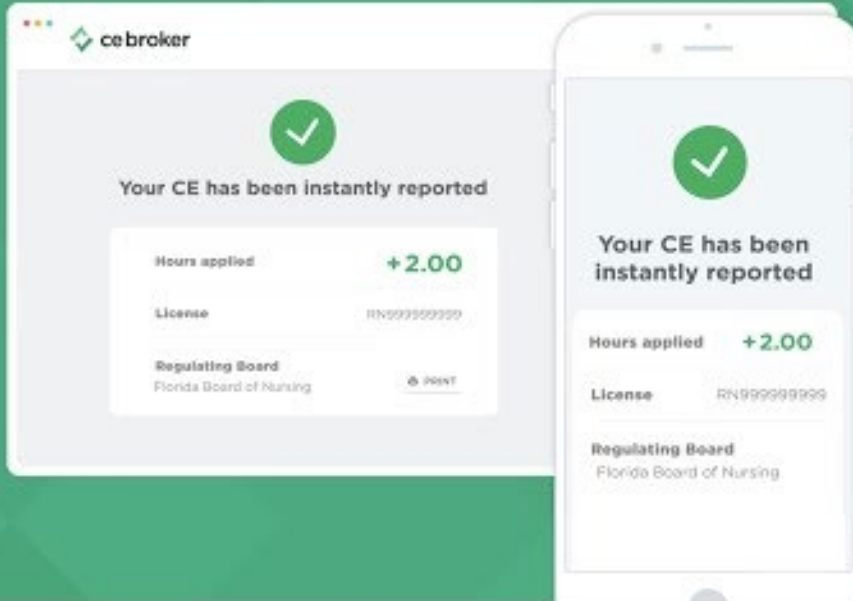

For Licensed Professionals

"CE Broker gives me confidence in the fact that my license renewal will progress smoothly."

Designed for Licensees

The CE Broker platform provides Licensees with a comprehensive view of CE requirements and accredited courses to fulfill their requirements.

"My favorite part of CE Broker is my Compliance Transcript. It makes my renewal simple and straightforward."

Reporting Options

The CE Broker platform allows for CE to be reported by Course Providers or directly by Licensees.

Education Provider Reporting

To accommodate a large array of educational providers - our suite supports multiple reporting options.
