FREQUENTLY ASKED QUESTIONS

- 1. The master's program I attended is now closed and I can't get ahold of my original practicum supervisor. Who can sign off on my supervision?**

You can have a direct or indirect supervisor sign off if your original supervisor is not available.

- 2. Am I able to complete my post degree experience hours with an agency that does not have a licensed Psychologist on staff if I am able to have a licensed Psychologist separate from the agency provide supervision?**

Yes. The supervisor that signs off on your hours does not need to be on staff at your place of employment. The supervisor just needs to be able to have access to your information.

- 3. I'm trying to complete my post degree experience and there is no Licensed Psychologist (LP) to supervise me. Can I have someone else supervise me?**

In cases of extreme hardship, a supervisee may request an alternative to the supervision arrangement specified in this subrule. The alternative supervision arrangement must not be implemented before the board has approved it. In deciding whether to approve the proposed alternative supervision arrangement, the board shall consider the nature of the extreme hardship and the reasonableness of the proposed alternative supervision agreement. A request to the board for approval of an alternative to the supervision arrangement must include, at a minimum, the following information:

- a) The amount of clock hours currently completed, if any.
- b) The amount of clock hours left to complete.
- c) Whether a hardship request was previously made and that decision.
- d) The cause for the hardship.
- e) Measures taken to remedy the hardship.
- f) Whether the hardship still exists
- g) The names and addresses of all licensed psychologists contacted or attempted to contact, including number of times or attempts or both.
- h) The responses from the licensed psychologists contacted.
- i) The qualifications and experience of the proposed alternative supervisor.

All requests must be submitted a minimum of 30 days prior to the board meeting.

- 4. I completed my supervision in another country. Can these hours be accepted?**

Yes, provided the supervisor is a licensed psychologist and can verify that you fulfilled the requirements outlined in the Psychology Supervision Evaluation.

- 5. My master's program did not have a practicum. Can I complete one post degree?**

Yes, please review the [Master's Post-Degree Practicum Requirements](#).

6. Can I be supervised by a Licensed Psychologist (LP) who is licensed in another state?

Yes, for post degree experience, the supervisor does not need to hold a license in the state where the experience takes place. However, for the practicum, the supervisor must be licensed in the state where the practicum took place.

7. I completed some post degree supervision in another state but don't have enough hours. Can I apply for the TLLP license and complete the remaining supervision in Michigan?

Yes, if you qualify for the license, you can complete the remaining hours in Michigan under a licensed psychologist.

8. I did not complete enough post-degree supervision when I held my TLLP, and my license has lapsed. Can I complete the remaining hours in another state?

Yes, you may complete the remaining supervision under a licensed psychologist in the other state.

9. How do I verify my Michigan license?

Certified license verification requests must be obtained online. You must submit your request via the MiPLUS system. There is a \$15.00 fee for certification processing for each address you list. Licenses may also be verified online on the Bureau's License Verification website free of charge. You may need to confirm with the recipient if verifying a license on this website is acceptable or if a certified license verification is needed.

10. How will I know when I need to renew? Can I renew my license early?

You will be sent a renewal notification to both your mailing and email address on record approximately 90 days prior to the expiration date of your license. You will not be able to renew before that time. Remember to notify the Department of any address change by submitting a MiPLUS modification. It is your responsibility as a licensed health professional to renew your license on time. **Failure to receive the renewal postcard, email notification, or to notify the Department of an address change does not exempt you from renewing your license on time.** You can renew online by logging into your MiPLUS account at www.michigan.gov/MiPLUS. You may pay your renewal fee by using a debit or credit card containing a Visa, MasterCard, American Express, or Discover logo.

11. Is there a grace period for my renewal?

There is a 60-day grace period for licenses where there are remaining renewals. For temporary and or limited licenses where there are no more renewals left, there is no 60-day grace period. There is an additional \$20.00 late fee when renewing during the grace period.

12. How long will you keep my application for licensure on file?

Application and fees are valid for two years. If you fail to meet the licensure requirements within that time, your application and associated fees will no longer be valid.
