SPEECH LANGUAGE PATHOLOGIST POSTGRADUATE CLINICAL EXPERIENCE

Authority: 1978 PA 368

CCC-SLP: If you currently hold the CCC-SLP certification from ASHA you do not need to complete this form.

Supervised Clinical Experience: for the experience to count toward the requirements for full licensure, you must hold a Michigan Temporary Educational Limited License.

Supervisor: For work experience completed in Michigan, the supervisor of the clinical experience must hold a current, active, full Michigan Speech-Language Pathologist license that has no history of disciplinary action

Applicant's Name (First, Middle, Last)		Applicant's Date of Birth	
Applicant's Place of Employment		Applicant's Title	
Address of Educational Institution			
City	State	Zip Code	
Supervisor's Name (First, Middle, Last)		Registration/License/Credential Number	Date Issued
Level of Licensure or Certification at time of supervision		Issuing jurisdiction/organization	

CERTIFICATION AND SIGNATURE

I certify the applicant named above obtained speech-language pathology experience under my supervision while my license was in good standing.

The applicant completed Speech-Language Pathology work experience beginning on

_____ and ending on _____ for a total of _____ hours.
 (Month/Day/Year) (Month/Day/Year) (minimum of 1260)

I was available on a regularly scheduled basis to review the practice of the applicant, provide consultation, review records, and further educate the applicant. I was continuously available for direct communication in person or by radio, telephone, or telecommunication.

The supervisory activities included the following:

- Onsite observations of the supervisee engaged in screening, evaluation, assessment, and habilitation or rehabilitation activities.
 - Real time, interactive video and audio-conferencing technology may be used to perform onsite observations.
- Evaluation of reports written by the supervisee, conferences between the supervisor and supervisee and discussions with the supervisee's professional colleagues.
 - Correspondence, telephone calls or reviewing audio or videotapes may be used to perform this type of supervisory activity.
- At least 1,008 of the supervised hours consist of clinical contact with person or population served, including, but not limited to direct client or patient contact, consultations, record keeping, and administrative duties.

I declare that the information contained in this document is true and correct.
