There is a $15.00 fee for certification processing for each address you list. Please note, if you submit both a USPS mailing adddress and an email address for the same recipient, you will be charged $30.00 since you have requested your certification to go to two different addresses. Normal processing time for verifications being sent by email is the same day, verifications being mailed are sent the next business day.

Licenses may also be verified online on the Bureau's License Verification website free of charge. You may need to confirm with the recipient if verifying a license on this website is acceptable or if a certified license verification is needed.
