

# Downloadable and Fillable Form Instructions

---

## Downloadable Forms

Downloaded forms must be printed, completed, and signed and submitted by either mail or in person. To download the forms, you must have the [Adobe Reader](#) installed on your computer.

## Fillable Forms

The fillable forms can be opened and downloaded as provided in the section above. Follow the instructions for obtaining Adobe Reader, if necessary. Simply click on the forms in the desired fields, type in your information and print out the document with all your information included. Fillable forms must be typed on your computer, printed, and signed and submitted by either mail or in person. To download the forms, you must have the Adobe Reader installed on your computer.
