ADMINISTRATIVE ORDER NO. 2018-01
RESCISSION OF ADMINISTRATIVE ORDER 2016-05 REGARDING PRODUCT
ADJUSTMENTS BY WHOLESALERS AND MANUFACTURERS

Article IV, Section 40, of the Michigan Constitution (1963), permits the legislature to establish a Liquor Control Commission, which shall exercise complete control of the alcoholic beverage traffic within this state, including the retail sales thereof, subject to statutory limitations. MCL 436.1201(2) provides the Commission with the sole right, power, and duty to control the alcoholic beverage traffic and traffic in other alcoholic liquor within this state, including the manufacture, importation, possession, transportation and sale thereof.

Public Act 130 of 2017, which went into effect on January 15, 2018, codified the content of Administrative Order 2016-05 regarding product adjustments by Wholesalers and Manufacturers in a new statutory section, MCL 436.1609c. Upon its effective date, MCL 436.1609c superseded Administrative Order 2016-05, rendering the administrative order obsolete.

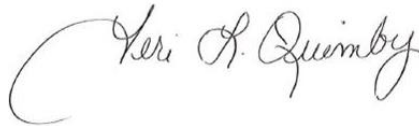

After review and discussion of the issues at the meeting, the Commission finds that, as MCL 436.1609c is now in effect, Administrative Order 2016-05 is obsolete and should be rescinded subject to the provisions in the Michigan Liquor Control Code, the administrative rules, and as provided in this Administrative Order.

THEREFORE, IT IS ORDERED that Administrative Order 2016-05 is RESCINDED, effective immediately.
