Importation of Alcoholic Beverages Into Michigan for Personal Consumption (LCC-156) Instructions

Section 203 of the Michigan Liquor Control Code requires persons who wish to bring any type of alcoholic beverages in to the State of Michigan for personal consumption to obtain prior written approval of the Commission with the following exceptions:

1. A person of legal age who has been outside the U.S. territorial limits for at least 48 hours and has not brought alcoholic liquor into this state during the past 30 days, may bring up to **one liter** in to the state without prior approval (MCL 436.1203(7)).
2. A person of legal age may bring up to **312 ounces** of alcoholic liquor that contains less than 21% alcohol by volume (about 24 - 12 ounce containers of beer or 12 - 750 ml containers of wine) from another state without prior approval (MCL 436.1203(8)).

Description of Taxes on Alcoholic Beverages

Beer Tax The tax on beer is \$6.30 per barrel; pro-rated to .0015877 cents per ounce.

Wine Tax The tax on wine is based on the percent of alcohol in the product as follows:

- Wine which is 16% alcohol or less is taxed at 13.5 cents per liter.
- Wine which is over 16% alcohol is taxed at 20 cents per liter.

Distilled Spirits A 12% specific tax rate is applied to distilled spirits based on the dollar value of alcoholic beverages.

Use Tax After the value of the products has been calculated and the amount of any taxes added, a total value is determined. The use tax of 6% is applied to the total value, including the beer, wine, and distilled spirit taxes.

The Commission and/or local law enforcement officials may seize any illegally imported alcoholic beverages and impound the vehicle used to transport the items.
