Who must file: An out-of-state entity that is the equivalent of a Michigan Small Wine Maker licensee and has been issued an Outstate Self-Distributor license and complies with the requirements for wine deliveries to Michigan retailers under that license.

When to begin filing: Tax reports are required to be filed from the date that the license is issued, whether or not any product has been registered and approved.

When to file: Outstate Self-Distributor must file on a quarterly basis, no later than April 15th, July 15th, October 15th, and January 15th, whether or not any transactions have occurred. Monthly filing is acceptable, but not required.

What to include: Outstate Self-Distributor must submit, along with the tax report, an Outstate Self-Distributor Report of Wine Sales (LCC-824). The Outstate Self-Distributor Report of Wine Sales (LCC-824) can be omitted IF the box on the tax form is checked indicating that there were no self-distributed sales for the reporting period. All out-of-states sales, total gallons only, during the reporting period must be recorded on the tax form, whether you had sales in Michigan or not.

Restrictions: An Outstate Self-Distributor cannot have combined sales from all location during a calendar year of more than 50,000 gallons.

Penalties: Any reports postmarked after the 15th of the month following the reporting period, missing reports, or missing tax payments will be subject to a \$25 late charge and a 1% per month interest charge until the taxes are paid. A licensee who fails or refuses to submit a required report or who submits a false report, may be subject to a violation of the Liquor Control Code of 1998, which may result in the suspension or revocation of the license.
