

After the Game

(Cheering crowd in background)

Man 1: Man, what a game!

Man 2: Yeah, did you see that catch?

Man 1: Hey, some of us are going to the sports bar to celebrate. Want to go?

Man 2: You bet!

Whether it's after the game or a guy's night out, Michigan has thousands of licensed establishments to host your celebration. So have fun, but know your limits and have a designated driver. Let's keep the party going for everyone.

A public service message from the Michigan Liquor Control Commission.
