Farmer's Market Permit Requirements and General Information (MCL 436.1415)

A Farmer's Market Permit:

- Permit issued by the Liquor Control Commission to a qualified Small Wine Maker to conduct wine tastings and may also sell, at retail, wine produced by that Small Wine Maker at a Farmer's Market.
- A qualified Small Wine Maker means a small wine maker who manufactures or bottles a total production combined from all locations owned by the same entity, not more than 5,000 gallons of wine in one calendar year. May also include an out of state winery.
- One (1) permit may be issued in a county where the Farmer's Market is located for each 1,500 of population
- Tastings and sales shall be limited to an exclusive area, that is well defined and clearly marked, and under control of the permit holder
- The application must include an authorized signature from the local police agency and Farmer's Market manager approving the tastings and sales of wine at that location
- Tasting samples provided to a customer shall not exceed 3 servings of not more than 2 ounces of wine in a 24-hour period.
- All wine sold or used for tastings shall be furnished by the small wine maker and removed from the farmer's market premises upon conclusion of the farmer's market
- All tastings and sales shall be conducted by employees of the Farmer's Market Permit who have completed a server training program approved by the Commission.
- A licensed Wholesaler is prohibited from conducting or participating in any tastings or sales under this permit.
- The permit holder must renew the permit each year by April 30 by paying the \$25.00 permit fee.
