The licensee must submit the Consumer Sampling Event Notification form (LCC-258) at least ten (10) business days prior to conducting a consumer sampling event. The consumer sampling event is limited to 3 events per Vendor of Spirits or manufacturer per Specially Designated Distributor (SDD) license per month.

A consumer may not be charged for or purchase samples. Each consumer is limited to 3 samples, which total no more than 1/3 ounce of spirits per serving per event. Samples are not to be offered to, or allowed to be consumed by, any person under the legal age for consuming alcoholic liquor.

Licensed representatives or an authorized representative may distribute merchandise, not to exceed \$100.00 in value, to consumers 21 years of age or older at the event.

Participating SDD licensees shall not receive any fee or other valuable consideration for participating in the event. The alcoholic liquor used in the consumer sampling event is provided by the Vendor of Spirits or manufacturer, and purchased at the minimum retail selling price fixed by the commission from the SDD on whose premises the event is located. The Vendor of Spirits or manufacturer shall remove any unfinished product from the premises at which the event is held upon completion of the event.

The Vendor of Spirits or manufacturer conducting the consumer sampling event must have a licensed representative present at the SDD's establishment. The Vendor of Spirits or manufacturer must demonstrate that the individual actually conducting the sampling has successfully completed the server training program in the manner provided for in section 906 and rules promulgated by the Commission.

A consumer sampling event may be advertised in any type of media and the advertisements may include the date, time, location, and other information regarding the event.

A consumer sampling event shall not be allowed if the sale of alcoholic liquor is otherwise prohibited on the premises at which the event is conducted.
