Part 3 - Available License Search

MCL 436.1531(13) requires any person signing an application for an on-premises resort license to verify that he or she attempted to purchase any of the on-premises licenses that are in escrow that do not have a pending transfer on file with the MLCC within the county in which the applicant for the on-premises resort or resort economic development license proposes to operate.

You should not apply for an on-premises resort license if there is an available quota license in the local governmental unit in which the proposed licensed business will be located. You may verify the availability of quota licenses on the Commission's website using the Local Government Quota search page.

☐ I verify that I have attempted to purchase any readily available on-premises escrowed licenses that do not have pending transfers on file with the MLCC in the county where the proposed licensed business will be located.

- Applicant should provide a notarized affidavit outlining all attempts and responses (or lack thereof) to secure a readily available on-premises license.
- Applicant should send certified letters of inquiry as to the availability of the license to each licensee at the address listed on the licensee listing report provided by the MLCC.
- Applicant should submit copies of the letters sent, certified tags, signed certified return receipts, copies of any envelopes returned by the USPS, and copies of any correspondence received from the licensees.
- Applicant should provide dates, the name of the person contacted, and a synopsis of the conversation if escrowed licensees are contacted by telephone.

☐ There are no on-premises licenses in escrow readily available in the county where the proposed licensed business will be located.
