Part 3 - Available License Search

MCL 436.1521a(9) requires any person signing an application for an on-premises Redevelopment or Development District license to verify that he or she attempted to purchase any of the on-premises licenses that are in escrow that do not have a pending transfer on file with the MLCC within the county in which the applicant for the on-premises Redevelopment or Development District license proposes to operate.

You should not apply for an on-premises Redevelopment or Development District license if there is an available quota license in the local governmental unit in which the proposed licensed business will be located. You may verify the availability of quota licenses on the Commission's website using the Local Government Quota search page.

☐ I verify that I have attempted to purchase any readily available on-premises escrowed licenses that do not have pending transfers on file with the MLCC in the county where the proposed licensed business will be located.

- Applicant should provide a notarized affidavit outlining all attempts and responses (or lack thereof) to secure a readily available on-premises license.
- Applicant should send certified letters of inquiry as to the availability of the license to each licensee at the address listed on the licensee listing report provided by the MLCC.
- Applicant should submit copies of the letters sent, certified tags, signed certified return receipts, copies of any envelopes returned by the USPS, and copies of any correspondence received from the licensees.
- Applicant should provide dates, the name of the person contacted, and a synopsis of the conversation if escrowed licensees are contacted by telephone.
- Applicant should provide documentation regarding the fair market value of the license based on where the applicant will be located, if determinable, the size and scope of the proposed operation, and/or the existence of mandatory contractual restrictions or inclusion attached to the sale of the license when indicating to the MLCC that purchase of a license is not economically feasible or the license is not readily available.

☐ There are no readily available on-premises licenses in escrow in the county where the proposed licensed business will be located.

☐ There are no unissued, on-premises quota licenses readily available in the local governmental unit where the proposed licensed business will be located.

Part 4 - Local Governmental Approval

An applicant for a new on-premises Redevelopment or Development District license requires approval by the legislative body of the local governmental unit in which the licensed premises will be located. Applicants for a license in a city that has a population of 600,000 or more do not require local governmental approval. Please use the Local Governmental Unit Approval Form (LCC-106) or obtain a resolution from the local governmental unit that contains the same information required on the form. The form or a resolution from the city, village, or township must specifically state the applicant's legal name, if an individual person, or the corporate name of the business, the proposed licensed address, and contain a recommendation for the issuance of a license under one of the two following options:

- New Class C* license issued under the provisions of MCL 436.1521a(1)(a)
- New Class C* license issued under the provisions of MCL 436.1521a(1)(b)

**May substitute other license types such as Tavern, A-Hotel, or B-Hotel licenses*

Part 5 - Signature of Applicant

I certify that the information contained in this form is true and accurate to the best of my knowledge and belief. I agree to comply with all requirements of the Michigan Liquor Control Code and Administrative Rules. By signing this application, I am freely and voluntarily consenting and submitting to inspections of the licensed premises in accordance with MCL 436.1217(2)-(3) and R 436.1011(4). I also understand that providing **false** or **fraudulent** information is a violation of the Liquor Control Code pursuant to MCL 436.2003.
