- (a) The individualized education program team shall determine if a student's current annual goals address 1 or more skills that need extended school year services. For any identified annual goal, the individualized education program team shall consider all of the following:
 - (i) Data that indicate that in the identified annual goal there is a potential for regression of skills beyond a reasonable period of recoupment.
 - (ii) Data regarding the nature or severity of the disability of the student that indicate that there is a need to provide services in the identified annual goal during breaks in the school year.
 - (iii) Information that indicates that in the identified annual goal the student is at a critical stage of learning or in a critical area of learning where failure to provide a service beyond the normal school year will severely limit the student's capacity to acquire essential skills.
 - (b) If the individualized education program team determines that any data or information described in subdivision (a)(i) to (iii) of this subrule indicates a need for extended school year services, the individualized education program team shall include extended school year services in the student's individualized education program.
 - (c) The individualized education program team shall not determine the need for extended school year services based on a formula or policy that prohibits full consideration of the unique educational needs of each student.
 - (d) The individualized education program team shall consider related services, transportation, supplementary aids and services, and instructional programming when planning a student's extended school year services.
 - (e) The individualized education program team shall conclude consideration of extended school year services in sufficient time to make plans for the delivery of extended school year services.
- (3) Any participant in the individualized education program team's deliberations who disagrees, in whole or in part, with the

team's determination may indicate the reasons on the team's individualized education program report or may submit a written statement to be attached to the report.

(4) The individualized education program team shall determine the programs and services for a student with a disability pursuant to 34 CFR Part 300 (2019). The individualized education program team shall not restrict the individualized education program to the programs and services available.

(5) The individualized education program team shall consider the Michigan school for the deaf as a part of the total continuum of services for students who are deaf or hard of hearing. The resident district shall conduct the individualized education program team meeting that initiates an assignment to the Michigan school for the deaf. The individualized education program team shall invite representatives of the intermediate school district of residence and the Michigan school for the deaf to participate in the individualized education program team meeting.

(6) The school district of residence is responsible for conducting the initial individualized education program team meeting involving a student in its district and shall conduct, or authorize the operating district to conduct, each subsequent individualized education program team meeting at a mutually agreed upon time and place.

(7) The operating district shall invite the resident district to attend the individualized education program team meeting when the district of residence has authorized the operating district to conduct each subsequent individualized education program team meeting.
