DTMB Prevailing Wage Commercial Survey

Beginning March 1, 2022, the State of Michigan will require state contractors and subcontractors to pay prevailing wage on construction-based contracts issued by the Department of Technology, Management & Budget.

Please provide name and address above.

I certify that the information I have provided on this survey form and attachments is true and correct to the best of my knowledge and belief. I further understand that the information provided is subject to verification by the Wage and Hour Division.

Printed Name: _____

Title: _____

Business Telephone: _____

Signature: _____

Date: _____

Please provide prevailing wages and fringe benefits currently in effect under the applicable collective bargaining agreement, and under any applicable understandings associated with the agreement. List rates separately for each geographic area and, if applicable, for each size of project for which there are different rates in effect.

On each rate sheet you complete, if there is only one pay rate in effect for a job classification, list that rate as the prevailing wage. If there is more than one pay rate in effect, list as the prevailing wage the one that has been the most frequently or commonly paid during the 60 days prior to completing this Survey. In determining the most common or frequent wage, include the pay rates in effect in the area even if a collective bargaining agreement or understanding excludes those rates from prevailing wage projects.

It is critical that you provide a copy of the pertinent collective bargaining agreement and the applicable understanding or understandings, if any, for each listed rate, and that you indicate the page numbers where all information is found as requested on the form.

Rates cannot be included in the state prevailing wage schedules if they are not submitted with a current collective bargaining agreement or understanding.
