Discover how Michigan is leading the charge in transitioning to renewable energy and creating a stronger economy. Check out the Community & Worker Economic Transition Office's efforts at [Michigan.gov/EconomicTransition](https://Michigan.gov/EconomicTransition).

*#MIEconomicTransition*

Michigan is leading the way! While other states have created Just Transition offices with a narrower focus, Michigan's Community & Worker Economic Transition Office has a mandate to address shifts to renewable energy in both the utility and auto sectors, making up more than 20% of the state's economy.
