

An Informative Two-day Seminar:

OSHA General Industry 10-Hour

(Formerly known as MIOSHA General Industry 10-Hour)

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

Many companies are faced with the need for employees to perform new or multiple job functions. As personnel shifts to accommodate business needs it is essential to understand the importance of safety and health programs and their effect on business. This course offers an introduction to OSHA and MIOSHA, the resources and tools to create or enhance an effective safety and health program, and highlights of many key General Industry Safety and Health Standards. **In this two-day course, each student will receive an OSHA General Industry 10-Hour card upon successful completion of the course.**

Agenda

Day 1

- ▶ Introduction to OSHA and MIOSHA
- ▶ Safety and Health Programs
- ▶ Hazard Communication
- ▶ Personal Protective Equipment

Day 2

- ▶ Exit Routes. Emergency Action Plans, Fire Prevention Plans, and Fire Protection
- ▶ Walking and Working Surfaces, including Fall Protection
- ▶ Machine Guarding
- ▶ Electrical

All meetings are accessible and barrier free. Please contact the cosponsor or the CET Division, at least 30 days in advance, to request necessary accommodations.
