

An Informative Full-day Seminar:

Parts 35, 90, and 490

Confined Space in Construction and Permit Required Confined Spaces in General Industry

1 Who Should Attend . . .

This program is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log-on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

This course will provide an overview of both the construction and general industry rules related to confined spaces and permit-required confined spaces. Examples of actual spaces will be used to clarify the definition and facilitate proper identification of confined spaces versus permit-required confined spaces. The three means of entering a permit-required confined space are described in Part 35, 90, and 490. These will be discussed along with their correct implementation. This course also includes an introduction to the principles of air monitoring and ventilation of confined and permit-required confined spaces.

Agenda

We offer a flexible program agenda to emphasize the health and safety topics you want most.

- ▶ Define and apply the definition of a confined space and a permit-required confined space.
- ▶ Describe the requirements of MIOSHA Part 35 Confined Space in Construction and Part 90 and 490 Permit-Required Confined Spaces.
- ▶ Identify and apply the three methods to enter a permit space:
 - permit entry
 - alternate entry
 - reclassification
- ▶ Apply the basic principles of air sampling and confined space ventilation.

All meetings are accessible and barrier free. Please contact the cosponsor or the CET Division, at least 30 days in advance, to request necessary accommodations.

Facilitator

Augustine Syrový joined the Consultation Education and Training Division of MIOSHA in 2018 as an occupational safety consultant. He covers the Lansing, Jackson, and Ann Arbor area by assisting employers and employees with hazard surveys, safety and health management system evaluations, and training.

Prior to joining MIOSHA, Augustine was a fire service captain and member of a county technical rescue team that responded to rope, confined space, trench, and structural collapse rescues. He has a Bachelor of Applied Science in Fire Technology from Siena Heights University.

Augustine Syrový
Senior Occupational Safety Consultant
MIOSHA, CET Division

Program Details

DATE: October 12, 2023

LOCATION: Lansing Community College
West Campus
5708 Cornerstone Drive
Lansing, Michigan 48917

COST: \$130 per person.
Includes morning refreshments,
lunch and course materials.

TIME: Check-in - 8:45 a.m.
Program - 9:00 a.m. to 4:00 p.m.

DEADLINE: Register by October 9, 2023
Please register early!

CONTACT: Carolyn Dembowski - 517-483-1414
or email: dembowc1@lcc.edu

Certification/Maintenance Points Available

COSPONSOR: Lansing Community College

How to Register

Parts 35, 90, and 490 - Confined Space
in Construction and Permit Required
Confined Spaces in General Industry

There are Three Easy Ways to Register:

- ▶ **Web:** (Credit Card Only) - <https://www.lcc.edu/community/continuing-education/miosha.html>
- ▶ **Email:** bci@lcc.edu
- ▶ **Phone:** *If you wish to pay by check, please call Jessica Roy at 517-483-9853 to make arrangements.*

The meeting site and parking is accessible. Individuals attending the meeting are requested to refrain from using heavily scented personal care products, in order to enhance accessibility for everyone. People with disabilities requiring additional services (such as materials in alternative format) in order to participate in the meeting should call 517-284-7720 at least 30 days before the program. The Department of Labor and Economic Opportunity (LEO) is an equal opportunity employer/program.
