

An Informative Full-day Seminar:

MIOSHA Construction - Part 45 Fall Protection

1 Who Should Attend . . .

This seminar is a must for anyone concerned about health and safety on the job including:

- ▶ Managers concerned about workers' compensation costs.
- ▶ Employees who want to learn proper techniques for protecting their safety and health at work.
- ▶ Business owners who want to learn about compliance with Michigan Occupational Safety and Health Administration (MIOSHA).

2 MIOSHA Training Institute

MIOSHA Consultation Education and Training (CET) Division and Macomb Community College (MCC) have developed the MIOSHA Training Institute (MTI) through a formal alliance. The MTI introduced an Assessment-Based Certificate program, effective October 1, 2007. The certificate program offers participants an opportunity to be recognized for their educational efforts and increased technical expertise. Courses are offered throughout the state in sponsorship with other M-TECSM facilities, community colleges, and safety and health organizations. To learn more about the certificate program, log on to the CET Division website at www.michigan.gov/mti.

3 What You'll Learn . . .

Attendees at this training will review the MIOSHA Part 45, Construction Safety Standard for Fall Protection including the latest OSHA and MIOSHA interpretations. Examination of recent fatal falls in construction and discussion of the latest fall protection techniques for construction will be covered. This class will also cover fall exposures for residential construction and MIOSHA fall protection criteria.

Agenda

We offer a flexible program agenda to emphasize the construction topics you want most.

- ▶ Introduction to MIOSHA
- ▶ Part 45 Scope and Table of Contents
- ▶ Part 45 Rules
- ▶ Fall Protection Equipment

Required Class for
Construction Level One
MTI Certificate

This course has been approved for both residential builders pre-licensure and continuing safety training requirements.

All meetings are accessible and barrier free. Please contact the cosponsor or the CET Division, at least 30 days in advance, to request necessary accommodations.

Facilitator

Mark Ginter is the Cooperative Programs Specialist with the Consultation Education, and Training (CET) Division of MIOSHA. Mark currently provides consultation and training services for counties in Mid-Michigan including: Arenac, Bay, Clare, Genesee, Gladwin, Gratiot, Huron, Isabella, Mecosta, Midland, Montcalm, Saginaw, and Tuscola as well as working State-wide with current and prospective members of MIOSHA's Cooperative programs.

Mark goal is to reduce worker injuries and help employers grow their business through outreach, consultation, collaboration with MIOSHA CET services, and promoting hazard recognition. Before coming to MIOSHA Mark worked in the construction and building materials industry for over 20 years. In addition to working as a carpenter in both commercial and residential settings, he has experience in: construction project management, power equipment and safety training, material distribution and logistics, employee development, and material manufacturing. Mark has a broad range of experience in utilizing safety training and standards to meet ISO requirements, develop operational excellence, improve employee retention, and improve financial performance.

Mark is a graduate of Central Michigan University with a Bachelor of Science degree in Psychology as well as a Master degree in Business Administration from Northwood University.

Mark Ginter
Construction Safety Consultant
MIOSHA, CET Division
